TAXES 1908

CASTORIA The Kind You Have Always Bought

LARGE FUND TO REVIVE SINGLE TAX

New York, May 8.—An international movement to raise a large fund to revive the agitation for the single tax in England is now in progress. The movement for the taxation of land values has been started in England and the United States simultaneously by Joseph P. Larkin, who is now in London at work on the plan. Single taxers in this city and throughout the country have received the printed plan of the movement in the mail.

To organize the work and continue and broaden the agitation, Mr. Larkin, who is a wealthy manufacturer, has pledged to a commission organized in this country \$25,000 annually for five years. He has duplicated this pledge in England in support of the English movement for the taxation of land values there. His only condition here, as there, is that as much money be raised. He has agreed to match every dollar raised in England or the United States.

Everett P. Larkin is Elected an Ensign

Everett P. Larkin was elected ensign by the members of the Third Division Naval Militia last night, to succeed Ensign Charles F. Atwood, resigned. The division voted to turn out on Monday day and continue the club house at Black Rock this summer as usual. The division's boats will be launched next week. The division needs five men to fill its quota.

A NOTRE DAME LADY'S APPEAL

To all knowing sufferers of rheumatism, whether muscular or of the joints, sciatica, lumbago, backache, pains in the kidneys or neuralgia pains, to write to her for a home treatment which has repeatedly cured all of these tortures. She feels it her duty to send it to all sufferers FREE. You cure yourself—no change of climate being necessary. This simple discovery banishes uric acid from the blood, loosens the stiffened joints, purifies the blood, and brightens the eyes, giving elasticity and tone to the whole system. If the above interests you, for proof address Mrs. M. Summers, Box 9, Notre Dame, Ind.
